CAN'T GET ENOUGH OF

A NEW WAY TO GATHER

Annie Falk proudly introduces Seated, her latest venture designed to elevate entertaining. In Palm Beach or the Hamptons, hosting is about more than the menu, it's about the moments. Seated makes planning simple. Add your tables, place your guests, and refine until the balance feels just right. The result? Evenings that look effortless, conversations that sparkle, and hosts who can relax and enjoy their own parties.
